Marietta Noon Rotary Members.

Committee work continues for the annual Rotary Rush. Your next opportunity to get involved in that planning is Tuesday, Sept. 13, 4:00 pm, Lafayette Hotel Bar.

This week, we will have a presentation on The Sternwheel Festival.

Leight Murray, Dave Archer, and I, met with folks at the Humane Society Saturday morning. The purpose of the meeting was to identify the proposed location to bury the water tank. Next steps include an OUPS call to identify public utilities before confirming the location of the tank. Below, you can see Leight and Dave in deep thought and deliberation over this :)

I am also including a picture of the covered shelters at the Humane Society. Many of you participated in last summer's project when we built these. We will be harnessing rain water from these rooftops and from the other main buildings to fill the tank. As you can see, the shelters turned out nice.
