## Speakers

Marietta Noon Rotary Members,

What a nice time we had Saturday night at the annual Rotary Rush! Thanks to all who bought tickets, spent money that night, volunteered to work the event, etc. It felt like a major success. Once all the counting is over, I'm confident we'll all be happy with the amount of money raised!

**Speaker:** Thursday, November 10, our club enjoyed a presentation by fellow Rotarian, Tim Zoller, plant manager at Solvay. Tim gave a review of Earnest Solvay's early work, the history of the various plants at the site when it was Union Carbide in the past, and current production and aims of the facility. Thank you, Tim!  
This week we'll hear from Kent Marks and Trail Life.

**Ordering Rotary clothing:** Some have asked how to purchase a Rotary shirt and/or other items with the Rotary logo on it. You can use the Russell - Hampton Company for that. Use this link: <https://www.bestclubsupplies.com/>

**Service Opportunity: Habitat for Humanity-** January 6, 2023. We need at least 8 Volunteers. We're currently sitting at seven people signed up! Sign Up on the volunteer sheet on the table in the lobby near the Rotary name badges.

**Service Opportunity: GO PACKS** This Thursday, November 17 at 3:00 PM at the Career Center. Work with GoPacks staff to help with production of either a 'take-home science project' or an ornament made out of dough. We're looking for 10 volunteers. Ms. Heather Warner with GoPacks states, "If there's more than 10 volunteers we'll be done with the projects in an hour." Sign Up on the volunteer sheet on table in the lobby near the Rotary name badges. Or, send me an email!

**Service Project Update: Foster Families receive Marietta College Athletics Season Passes.** So far 4 foster families have shown interest in obtaining season passes for the winter sports season (for both men's and women's sports). Also, the college has created a QR code making it easy for the families to obtain their tickets.

**Service Project Update: Human Society Water Tank.** The tank is installed and only waiting for the pump inside to be installed before it will be ready to go! President Tony thanked Dave Archer, Smith Concrete, and United Rentals for all of their donated goods and services. Dave Archer added the project has been a tremendous community effort. Bill White is going to write a press release concerning the club and this service project.

**Veterans were recognized for their service to our country.** Thank you to those of you who served, or are a family member of someone who served.

**The Squares Board** was completed, the drawing took place, and Dave Archer was the winner. The break down is as follows: \$250 to the winner, \$125 to the \$125 Club in the name of Dave Archer, \$125 to RI in the name of Dave Archer and \$500 towards one of our club's service projects.

**At the District Rotary Citation Awards** for the Rotary Year 2021-2022, Terry Rataiczak attended and announced at the club meeting; the club received 6 various awards, including but not limited to: President's Award for reaching at least 13 of his goals for his year (Terry met 17 of his 19 goals), 2<sup>nd</sup> place in visitors attending (we had 107, 1<sup>st</sup> place was 108), 2<sup>nd</sup> for net growth (+19 new members), 2<sup>nd</sup> for Polio Plus giving, and a couple more awards. Well done, club!

**Split the Pot:** Jackpot is now north of \$1,300 with 25 cards remaining. Game Goes ON!
