Speakers

Marietta Noon Rotary Members,

We (Pat and Colleen leading) will have a Rotary Remembrance December 1st for John Hendricks

I hope everyone has a Happy, Happy Thanksgiving. Below is our weekly MarRotaGram. See you all again on Thursday, December 1st!

Speaker: Thursday, November 17, our club enjoyed a presentation by Ken Marks, entitled: Trail Life, USA. Trail Life, an organization formed in 2014, is an organization similar to Boy Scouts, but entirely based on Christian principles and works with local churches to sponsor clubs in their neighborhoods. Trail Life has over 50,000 members having added 13,000 members since January 2022, and can be found in 7 states. The goal of the organization is to help raise up Godly young men of great character.

Announcements:

Rotary Rush: Terry Rataiczak gave a brief recap of the Rotary Rush, stating final numbers aren't in yet, but the event stands to make as much money as last year's event even though there were 25 fewer people. Terry stated the committee will meet on Tuesday at 4:00pm to debrief the event.

Student Guests: Ricky Allen and Cameron Haines, both seniors from Williamstown High School, were our student visitors and spoke briefly about their high school involvement and college plans.

Habitat for Humanity Service Project: So far there are 9 volunteers signed up to help on January 6, 2023. If you're interested, please contact President Tony.

Hurricane Ian Relief: President Tony announced our club gave \$2,184 to a specific club in Florida to help with hurricane relief.

We had a great time last Thursday with our Go Packs Service project. We were slinging dough and packing canned food. We completed in a little less than two hours. Thanks to all who came out and helped! We plan to award \$5,000 to Go Packs soon.
