Message from District Governor, David Uhl

David Uhl, District Governor

Happy New Year! District 6690 had a fantastic 2023. We spent the first half of the Rotary year focused on Creating Hope in the World. And we aren't done yet! There are still 6 months left in this year to make an impact and a difference in our communities and around the world.

During the first 6 months of the year, I traveled across the District, completing 44/58 club visits. It has been a fantastic experience meeting so many great Rotarians who are putting **Service above Self** every day! Keep up the great work and momentum as we move through the last half of the Rotary year. As I have said many times, the days may be long, but the Rotary year is short!

Please read through the newsletter below. There are several short but important articles that will provide you with information and opportunities as we continue to Create Hope in the World.

See you at District Conference on April 19-20! Mark your calendar. Registration opens soon!!!

Serving Together,
David

District Conference 2024

Save-The-Date: April 19th-April 21

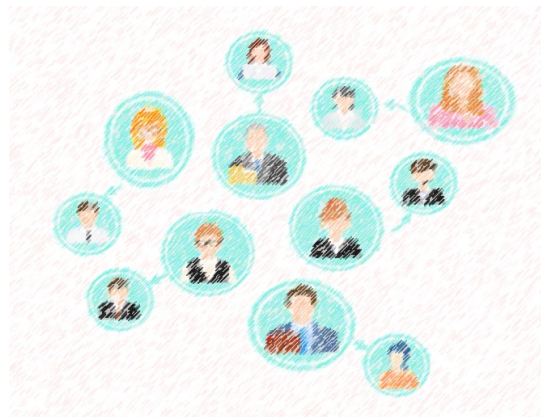

Now is the time to get the 2024 District Conference on your calendar. Get your phone or calendar out and reserve April 19th-April 21 for District Conference. The location for the 2024 conference is Deer Creek State Park (which has been completely remodeled).

We are planning a phenomenal event that you do NOT want to miss. So, mark your calendar now and watch for more details, coming soon!

Each One Bring One is Back!

During the months of February, March, and April, District 6690 will once again run our Each One Bring One campaign. The rules are simple. We are asking each Rotarian to bring at least one guest to a meeting, social, fundraiser, or other club event. At the end of the three months, the club (per capita) that has the most guests will win a \$500 Social Visit with the District Governor.

Remember, there are people missing from around your Rotary table. People who are your friends, co-workers, neighbors, and family members. People who are looking for an outlet for service and giving. So, Each One Bring Oneâ€¦and then bring one moreâ€¦and then one more. Together, we can grow Rotary and do even more good in the world!

Soâ€¦who will you invite???

Save the Date: Winter Assembly 2024

The District 6690 Winter Assembly will be held Saturday February 24th, 9:00am â€“ 4:00pm, in Newark at a location TBD. Look for registration to open soon.

The purpose of the event is district and club leadership learning. The Winter Assembly will take the place of District Leadership Training held in February in Columbus last year. Each club will be asked to send at least two representatives. In addition to club leadership, this is an opportunity to send new committee chairs, new board members, or new members for district and/or club learning.

More details will follow. But, save-the-date and plan to attend this great learning event!

Four Way Speech Contest

The District 6690 Rotary Four-Way Speech Contest will be held on Friday, April 19, 2024 in conjunction with the Rotary District 6690 Assembly at Deer Creek Lodge and Conference Center. High School students (freshmen, sophomores, juniors and seniors) who live in Rotary District 6690 (Central & Southeast Ohio) are eligible to participate.

The First-place winner will be asked to speak at the Rotary District Assembly luncheon held on Friday, April 19, 2024. The Second place and Third place winners may also be asked to speak at the luncheon. The three winners, their families and sponsors will be Rotary's™ guests for the luncheon.

2024 District level prizes will be: First Place: \$1000, Second Place: \$700 and Third Place: \$500

District 6690 is putting together a map listing the locations of all the Peace Poles within our District. Our hope is to have something to present at DG David's District Conference in April. If your club has a Peace Pole, please let District Peace Committee Co-Chair MJ Shackelford know its location so it can be included on the map! mj@barnesadv.com
