Price Finley, District Governor

This month, I invited our District committee chairs to share a paragraph (or two) about significant things that are happening right now across the district.

In a whirlwind of Rotary updates, Jenny Stotts wants clubs to grow like dandelions in a garden, urging each to recruit three new members. Larry Jenkins believes in the power of a twig bundle, asking Rotarians to invest in the Rotary Foundation like it's their own personal piggy bank. Dave Ungar knows that if you repeat "Rotary" enough times, people will start associating it with unicorns and rainbows. Michelle Davis wants everyone to dance like nobody's watching, especially during the Stonewall Columbus Pride March. Roe Mauro is on a mission to turn youth into service superheroes, so they can save the world one community project at a time. And finally, Tom Carlisi represented the district at the International Peace Conference in Birmingham, Alabama that brought together Rotarians and Peace Fellows to solve the world's problems, armed with a sprinkle of pixie dust and a touch of magic. Now, please excuse me while I catch my breath from summarizing all these Rotary adventures with a hint of GPT humor.

Membership Update - Jenny Stotts, District Membership

Chair

Our towns and cities depend on Rotary and Rotaract Clubs for leadership, service, and support.

Engaging Prospective Members in Service Projects

Rotary District 6690
Membership Chat

 May 17 | 7-8pm | Zoom

Rotary
District 6690 

Let's work together to be intentional about growing our clubs to strengthen our capacity to take care of our communities. If every club inducts just 3 new members each by the end of this Rotary year, we will set up our district to be stronger, more resilient, and ready to serve in the months ahead. As your club gets out into the community for spring clean ups, planting flowers, and more, take a few minutes to invite guests to join your service efforts. Show others what Rotary can do for them and what they can do for their community, through Rotary.

Looking for some inspiration on how to engage prospective members in service projects? Take advantage of this dynamic and interactive membership chat on May 17 to share ideas.

The Rotary Foundation - Larry Jenkins, District Rotary Foundation Chair

As my wee granny used to say, "You can't break a twig in a bundle." You're part of a crew now. Don't give up on that, because we sure as hell won't give up on you! (Extra points if you can identify the movie reference)

I love this quote because it clearly illustrates the heart of Rotary. We were all attracted to joining Rotary because we wanted to give back and make a difference in the world. Alone, we were limited on the reach and impact we could make, but together, there is no limit to the problems we can solve and the communities we can reach. **Together We can make the world we IMAGINE a reality.**

Rotary's projects are huge and ambitious. They are possible because of the collective of time, and yes, money we put in. By giving to the Rotary Foundation you are investing in US. You are empowering yourself and your fellow Rotarians to make dreams come true. But it truly takes **all of us!!**

That is why we are asking every Rotarian to support The Rotary Foundation. We hope every member of the District will become a member of the 125 Club, with an annual donation of \$100 to the Share-Annual Fund and \$25 to the Polio Plus fund. If that level doesn't work at this time, we hope you will consider making a smaller donation. Even \$25 can have a big impact.

There are lots of ways you can donate to the Rotary Foundation. You can go to www.rotary.org, login into your My Rotary account, and hit the donate button. You can use the [GiveButter](#) app we have set up and make a one-time payment with your credit card. Or you can write a check made out to the Rotary Foundation and then talk to your Club TRF Chair or the District TRF Team for help in submitting it to RI.

We have just a few weeks left in this Rotary year, and we need everyone's help to finish strong so that we have resources for the years to come. Rotary is Our Crew and with all of us pulling together and investing in each other, we can make the world we Imagine come True.

Rotary Public Image - Dave Ungar, District Public Image Co-Chair

Think of one of the most memorable advertisements you've seen. As good as it was, did you run right out to buy the product? Or did you make the decision to buy when you were looking at the product on a shelf next to other, similar brands? The one with the great ad looked a little more familiar, a little more valuable.

Rotary is no different. We need to continually remind people who Rotary is and the principles it represents. People aren't going to see a story about Rotary and immediately say "I want to Join Rotary." They are going to digest it and later, when they say to themselves, "I need to get more involved in my community" or "if we were organized to cooperate, we could solve a major problem" they will THEN think, "ah, yeah - Rotary does that."

If you are thinking about how to get your community more involved in Rotary, think of these basic branding steps: **Repetition, Recognition, Invitation.**

- Put your **brand & message** in front of people **frequently**. Not just in the form of social media posts, newspaper stories, and billboards – but ALL of those and every other way you can imagine. Use repetition and consistent brand identity.
- Have a **presence in the community** – when people see you, they associate Rotary with you and the person you are. The promotion that is most influential is the highly-regarded and highly-visible member of the community who is also a Rotarian.
- **Invite people** in. Promotion falls flat if it doesn't include an invitation to participate.

Think about all of the ways you can demonstrate to the public, "Rotary does that!" The more frequently they see it, the more familiar and valuable Rotary becomes.

Diversity, Equity, Inclusion and BELONGING in Rotary - Michelle Davis, District DEI Chair

"Because true belonging only happens when we present our authentic, imperfect selves to the world, our **sense of belonging** can never be greater than our level of self-acceptance." ~Brené Brown

Have you ever danced in your living room or kitchen, freely and openly, as if no one was watching you? So much fun, right? That is the same feeling as BELONGING!

Join DG Price Finley, myself, and other Rotarians, friends, and family alike, from the great District 6690 as we dance (and walk a bit) and celebrate inclusion in support of equality, social and self-acceptance for our LGBTQ+ Community in Columbus and Central Ohio during the Stonewall Columbus Pride March on Saturday, June 17th! Step-off is at 10:30 am and we will likely be meeting up around 9:00 or so, with the start near Broad St and High St, marching north toward Goodale Park. More details are in the works. The theme this year is "Purpose. Passion. Power."

You don't want to miss this fun and inspiring day hanging out with your closest Rotary "family". Will you be one of the 100 Rotarians joining us? For more details or to be included on the dance list, email us at: RotaryD6690DEI@gmail.com.

Rotary Serving our Youth - Roe Mauro, District Youth Service Chair

Are you & your Club working to create a generation of service minded leaders by participating in Rotary's Youth programs?

Rotary believes in developing the next generation of leaders. Our programs assist young leaders build leadership skills, expand education and learn the value of service.

Many opportunities exist for Rotarians and clubs to get involved including sponsoring an Interact Club, hosting an inbound or outbound youth exchange participant and joining one of the youth District Committees for RYLA (Rotary Youth Leadership Awards), RYE (Rotary Youth Exchange) & Interact.

Many Clubs throughout our District are already involved with youth by offering scholarships to graduating seniors, participating in the 4 Way Speech contest and recognizing outstanding youth through a student of the month program. These activities lend themselves to growing your involvement in Rotary's formal youth programs such as Interact, RYE & RYLA. Why not take the next step and get involved? If you or your Club are already involved in these programs - we say Thank you. Thank you for providing the leadership and guidance needed to foster peace and goodwill to our next generation.

Our District youth service committees are led by dedicated Rotarians who see the value in these programs and who can use your help.

We are especially in need of a new chair and committee for RYLA.

Please contact DG Price if you'd like more information or have an interest in bringing RYLA back to District 6690.

You may also reach out to the following District 6690 committee chairs for more information about these programs and to discover how you too can make a difference.

- Youth Protection: Brad Frick - bfrick@fricklegal.com

Let's continue our efforts and learn how together we can make a difference in today's youth.
