I currently serve on the boards of Access Scioto County and Scioto Connects. The project closest to my heart is a program I created, the King's Daughters Kids Mobile Market. We work with Scioto County schools and teachers grades 3-8 to budget for fresh fruits and vegetables and bring a farmers market to their school for students to shop for their budgeted goodies.

## What is a PAUL HARRIS FELLOW?

The Paul Harris Fellow recognition acknowledges individuals who contribute, or who have contributions made in their name, of \$1,000 to [The Rotary Foundation](#).

Rotary established the [recognition](#) in 1957 to encourage and show appreciation for substantial contributions to what was then the Foundation's only program, Rotary Foundation Fellowships for Advanced Study, the precursor to Ambassadorial Scholarships.

The first Paul Harris Fellows included past RI Director Allison G. Brush, who served during the 1937-38 Rotary year, and longtime RI Treasurer Rufus F. Chapin, both for donations made in 1946. Mrs. Adan Vargas was the first woman to receive the recognition, for a gift made in 1953. Mrs. Harry L. Jones was the second, and one of only five people recognized for contributions actually made in that inaugural year.

Early Paul Harris Fellows received a certificate of recognition. In 1969, the Foundation unveiled the first Paul Harris Fellow medallion at the Rotary Convention in Honolulu, Hawaii, USA. Japanese metal artist Fiju Tsuda created the piece under the direction of former Foundation Trustee Kyoza Yuasa. Today, Paul Harris Fellows receive a certificate and pin. They are also eligible to buy a Paul Harris Fellow medallion.

## Creating Hope in the World

*David Uhl, District Governor*

It is an honor to serve as District Governor for District 6690 this year as we join together as People of Action and Create Hope in the World.

Below is some important information. I am working to keep it brief. Please check out the rest of this newsletter and watch your email for information coming soon!

- **Celebrate Community Week: September 11th – 17th.** We are challenging all District 6690 Clubs to join with Kiwanis, Lions, and/or Optimist International clubs to conduct a service project in your community. More information is coming soon, but begin planning now for your club to participate in a joint service project with another service club in your community this September.
- **Rotalks – Save the date for RoTalks 2023, September 30th** in Lancaster. This fall training will focus on peace, empowering women and girls, and mental health. Come and hear great presentation and collaborate on ideas for how your club can make an impact in these priority areas. Open to all Rotarians! And it's an OSU bye-week! Save the date and watch for more info coming soon.
- **Socktober:** Your club will have an opportunity to join us in October once again for Socktober! This was a wildly popular district service project last year, and we are bringing it back! Donations of new socks for men/women/boy/girls will be accepted at clubs across the District in October. The best part is, collected socks all stay in your community, as your club decides which organization will benefit from your sock donation! Stay tuned for more information coming soon!
- **Foundation Giving and 125 Club:** There is information below on how to become a 125 Club Member (\$100 to the Annual Fund / \$25 to PolioPlus). We have big goals for PolioPlus this year. Our District goal is \$250,000! We cannot do it without you. If you haven't joined the 125 Club for 2023-24, now is the time! See more info below.

Thank you for all you do to serve through Rotary. We are already off to a great start, and there is more to come!

Serving Together to Create Hope in the World,  
David Uhl  
District Governor 2023-24  
Rotary International District 6690

## People of Action: Hilliard Food Pantry Fire

On July 9th, a tragic multi-alarm fire destroyed the Hilliard Food Pantry and storage facility. For the past 5-6+ years, the Rotary Club of Hilliard has utilized resources and matching grants to assist in building up the food pantry's building, offerings, and support system for the over 400 families served every week.

Thankfully, no people were on site, and the Norwich Fire Department fought the blaze and further, have joined alongside the police department to begin immediately collecting items and money for the families who need served.

As Rotarians, we are PEOPLE OF ACTION. For those District friends who have reached out and offered to support through food collection and other means, our sincere appreciation. Your club can assist in this tragedy by collecting food to help restock the pantry. For financial support, you can support through:
