The South Oldham Rotary Club is proud to support the South Oldham High School Speech & Debate Team with a \$1,000 donation as they head to the National Speech and Debate Tournament, taking place June 15–20, 2025 in Des Moines, Iowa.

Eleven talented students from SOHS will represent our community, competing against over 6,000 students from all 50 states in this prestigious national event.

The donation was accepted by Speech & Debate Coach, Chase McCoy, and team Captain, Landon Flanagan, and was presented by the South Oldham Rotary Club President, Rachel Thompson. We're honored to help empower these students as they sharpen their voices, build confidence, and inspire change. Good luck, Dragons!

South Oldham Rotary Names Artie White, Bluegrass Tax Attorney, April Business of the Month

By Cindy Hack on Monday, May 12, 2025

The South Oldham Rotary Club is proud to recognize Artie White, of Bluegrass Tax Attorney, as its April Business of the Month. White is being honored not only for his professional excellence, but also for his ongoing commitment to community service in Oldham County.

White specializes in a range of financial legal matters including estate taxation, gift taxation, generation-skipping transfer taxation, and federal and state income taxation for individuals, corporations, partnerships, and fiduciaries. With a reputation for professionalism and integrity, he provides critical legal assistance to clients navigating complex tax issues.

In addition to his legal work, White is a dedicated community volunteer. He has coached local softball teams and generously gives his time to causes such as the Barry Stoess Christmas Food Baskets, an annual program that helps provide food to families in need during the holiday season.

“Artie exemplifies the Rotary spirit of ‘Service Above Self,’” said a spokesperson for the South Oldham Rotary Club. “We’re grateful for professionals like him who not only lead in their field, but also give back to make our community stronger.”

The Business of the Month recognition is part of the Rotary Club’s ongoing effort to spotlight local professionals who demonstrate excellence in their work and a commitment to service.
