The South Oldham Rotary Club recognized their John Longstreet Students of the Month for January at their January 17th meeting.

Arvin Education Business Academy student Sarah Rothballer was recognized as the Arvin Education Center Student of the Month. Rothballer has attended the Arvin Education Center for four years in the Business program focusing on Accounting and Business. At South Oldham High School, she is on the golf team, cheer team and is a member of the Beta Club and National Honor Society. Rothballer was described as peer driven and enjoys volunteering at her temple and participating in youth groups there. In her free time, you'll see her spending time with family and friends. Her plans are to attend the University of Cincinnati or Ohio State to obtain a finance major and then pursue a career as a financial advisor. Her parents are Stacey and Bill Rothballer.

South Oldham High School Guidance Counselor, Joel Dickson, introduced Anna Huber and shared that she is fun to be around, an all-around great student and is engaged, diligent and takes on leadership roles. At school she is on the softball team and received the All Athletic team high GPA, was nominated for best school spirit and is a member of the National Honor Society. Huber has received an athletic scholarship for the softball team at Centre College where she intends to study Business Management or Marketing. Her long term goal is to own her own business. Her parents are Adam and Missy Huber.

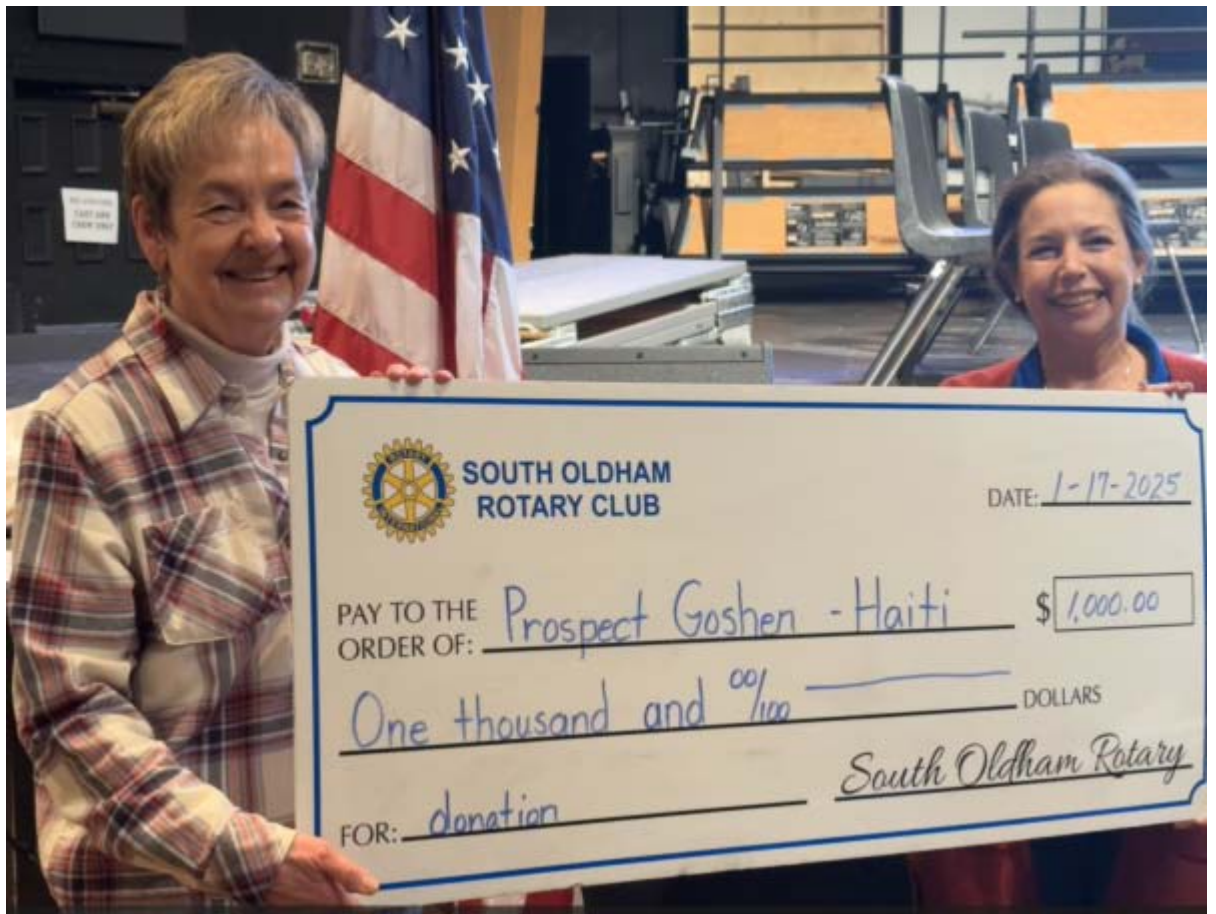

Dickson described Collin McQueen as a great student that is a well-respected leader, a lifelong learner and humble about his accomplishments. McQueen is a member of the Chess Club, French Club and Con Club at South Oldham High School. After attending Eastern Kentucky University, Western Michigan University or Indiana State University in their Professional Aviation Programs he plans to become an airline pilot or go into aviation management. McQueen participates in Flight Club 502 at Bowman Field where he is the Director of the "Gone West" Committee. His love of aviation was instilled in him from his parents, Aarm & Michelle McQueen who took him to numerous car shows and aviation museums when growing up.

The South Oldham Rotary Club congratulates these fine students on their accomplishments. The South Oldham Rotary Club meets every Friday at 7:30-8:30 am at the Oldham County Schools Arts Center, in Crestwood.
