The South Oldham Rotary Club and the Radcliff Rotary Club recently helped distribute supplies that were in storage in Elizabethtown. The supplies were surplus donations for the areas affected by the December tornados. Most of the supplies were sent to Eastern Kentucky for those affected by the recent flooding. South Oldham Rotary Club members found a local business, Future Design, in Leitchfield, that donated a driver and a truck to take the supplies to Pikeville. Members and family from South Oldham Rotary & Radcliff Rotarians sorted, boxed, and loaded the truck for delivery. South Oldham Rotarians also loaded a trailer full of supplies and delivered and sorted items for the Crestwood Elementary & Centerfield Elementary Family Resource Center. #serviceaboveself
