Virtual Project Fairs

[Project Fair](#) **Rotary Opens Opportunities??**

While our ability to travel internationally, gather for fellowship and friendship, and build partnerships for service has been disrupted, our ingenuity and creativity has opened opportunities in unprecedented ways. And while we

can't replace in-person experiences, virtual travel and fellowship opportunities are redefining how we build partnerships and continue supporting communities through remote service opportunities.

Finding meaningful service opportunities and impactful projects to support is already a daunting task, which feels immensely more challenging while need grows during the global pandemic. Getting involved in international service can often be a challenge, especially during a pandemic when international travel is limited.

Virtual project fairs allow for immersion, travel, and fellowship from the safety and comfort of your home.

They are a great way to immerse yourself in a new culture and make new friends while meeting project sponsors and finding international projects for your club to support. If you're looking to learn about the priorities of a particular region, interact with fellow Rotarians and Rotaractors from a different culture, and explore partnerships with international clubs to jointly strengthen communities, attend a virtual event over the next few months:

- 28-30 January, 2021 - [Virtual Uniendo America Project Fair](#), based out of Panama City, Panama
- 5 -12 February 2021 [Virtual Colombia Project Fair](#), based out of Medellin, Colombia

Clubs will be sharing about their local communities and presenting small, medium, and large-scale projects from all areas of focus. Don't miss these unique opportunities to connect and begin building partnerships with prospective partners. Visit each event's website for event details and to register.

In case you missed them, explore these recent virtual events:

- [Ecuador Project Fair](#)
- [West Africa Project Fair](#)
- [Zones 17, 25, 28, and 29 Multi-District Project Fair](#)

Q3 PG Rotary Dues

??

We will be having ZOOM meetings throughout the first quarter of 2021. We are watching the Covid climate for a return to meetings in person at HCCC after March 31. Thanks for your continued support and patience during these times of growing opportunities in providing SERVICE ABOVE SELF to others. In light of this - your Board of Directors approved to reduce the amount allocated to MEALS from your Quarter 3 Dues.

Your bill will be either **\$82** (includes Paul Harris) or **\$57** (without Paul Harris).

Typically your bill would have been \$200 - therefore if you have budgeted for this amount - you are welcome to consider donating the difference to the FOUNDATION if you so desire- just add the additional amount to what you submit and I will take care of transferring the money to the foundation.

Also - dont forget - we accept credit cards- call [Jennifer](#) to set up an account.
