\$100 Solution Outcomes

*The mission is to **enrich lives and learning through service** by meeting community determined needs using \$100. Through the program, students are shown that even with a small amount of money they have the ability to establish a lasting sustainable impact through service. Students can choose an area of service they are passionate about. They will learn valuable skills and experience that can be drawn upon for college applications.*

*Three students were selected for \$100 Solution Awards
Jenny Stekardis - Goshen's Garden for Good
Nakya Johnson Guy - Pets for Vets
Maddie Steward - Socks for Seniors.*

*Maddie Steward and a group of volunteers successfully made 100 pairs of non-slip socks for Seniors and delivered them to Rivers Edge Nursing Home
Jenny Stekardis is working with Creasey Mahan Nature Preserve to create a Fruit tree Orchard.
Nakya Johnson Guy collected items for dogs for Vets - canned food, toys, gift cards for pet stores, etc.*

Your Prospect Goshen Rotary Club donated \$1000 again this year to support Oldham County High School Project Graduation.

Project Graduation is a graduation party for OCHS, SOHS, NOHS & Buckner. This amazing event is put on by the local community, Oldham County Schools and Underclassmen parents. Follow the count down to the celebration of our graduates! Twitter and Instagram: @4HSProject_Grad
Project Graduation has been in Oldham County since 1986. It is a drug-free, alcohol free all night party for graduating seniors of each of Oldham County's 4 high schools. Donations from local businesses and parents; and over 300 volunteers are vital to the success of this event. Seniors are able to bring one guest along with them to the party. Free food and drinks are provided all night along with carnival games, a rock climbing wall, DJ, casino, spa, beach party, and many many other activities. At the end of the evening our grand prizes are given away.
