New President Louis Fowler

By Bethany Yates on Friday, July 1, 2022

Let's take a moment to welcome our new Club President, Louis Fowler. Louis has been a part of our Rotary family since March of 2019. While 2020 created some obstacles to our normal style of meeting and serving, Louis embraced those opportunities and served as the Community Service Chairperson and assisted in coordinating our projects and outreach. He has also been a member of our Diversity, Equity, and Inclusion committee, helping to continue our work in promoting the representation and participation of different individuals and communities throughout our city. Thank you for your time and enthusiasm. We are so happy to have you in this role and look forward to serving with you this year!

Also, many thanks are sent out to Chuck Moore, our past president, for leading our club last year. Your hard work and dedication are appreciated and we are grateful for your service.

President's Message

By Louis Fowler on Friday, July 8, 2022

As we start a new Rotary Year, let's all "Imagine" what we can do to make our community better, our country better, and our world a better place.

If we do that, it will have the net benefit of our club being an even better club. At our first meeting of the New Year, I pledged to you to do what I can to; Grow the Club, to Serve others in the community and beyond, and to have fun and fellowship. With your commitment to these goals, our club will continue to prosper. And know that I'm here for you and your concerns. To that end, I'll take your call, and answer your emails, to the best of my ability. And help you with the resources I

have.
Thanks for being a Rotarian and thanks for all you do to make our club a success.
Louis Fowler

Play Ball Puerto Rico Project

By Bethany Yates on Thursday, June 30, 2022

Thank you to all of the volunteers that signed up to help **Play Ball Puerto Rico!** Just like last month, we will be boxing the remaining sports equipment so that it can be shipped to Puerto Rico. Louisville Slugger has offered to accept our pre-sorted boxes, prepare them for shipment, and handle the bill. Woohoo!

For the volunteers, the project information is listed below. If you have any other questions, please email Jack Stengel at john@stengel.net.

Date: July 16th
Time: 10:00am-12:00pm
Location: 502 Storage Facility
4914 Mud Lane
Louisville, KY 40229

In 2020, the Rotary Foundation created a new vehicle to help Districts respond to natural and humanitarian disasters - the Disaster Relief Grant. Our District has received two of these \$25,000 grants - the first to help non-profit organizations reduce the spread of COVID-9, and the second to respond to the December 2021 tornados in Western Kentucky.

Rotary has set up a special fund to help Ukraine and its neighboring countries help refugees and respond to war devastation. In solidarity, our District Foundation Committee decided to contribute \$25,000 of our District Designated Funds to Ukrainian relief. Our Partnering for Peace initiative, led by Rotarian Fred Cowan, is endeavoring to connect our clubs directly with Rotary Clubs and Districts in the affected areas. Stay tuned for new developments!

[Tornado Recovery Status](#)

Thursday, June 30, 2022

It has been almost six months since devastating tornados ripped through Western Kentucky and Rotary District 6710. The outpouring of support from Rotarians, clubs, and districts across the US and around the world has been overwhelming. Over \$659,000 in donations have been received to help impacted families, businesses, and communities recover and rebuild their lives.

The District has responded to this tragedy by establishing two Disaster Relief Grant programs... The first involves allocating funds from a \$25,000 grant from The Rotary Foundation. These grants started by helping families reconnect their electricity to the grid. The program has since been expanded into helping families repair and reconstruct their homes and lives in the community.

The second grant program has empowered Rotary Clubs in District 6710 to fund recovery and rebuilding projects up to \$10,000 per project. 29 of these projects have been recognized or approved to date, allocating over \$273,000 to those in need.

As recovery efforts proceed, all the clubs in District 6710 are encouraged to discern the needs in their communities and respond to those needs by submitting a grant application.

If you have questions about the program, please contact Ralph Young, the District Grant Sub-committee chair for guidance. youngrs@bellsouth.net.

IMAGINE Rotary

By Nancy J. Stearman on Wednesday, July 6, 2022

"Imagine Rotary" is our theme this year, as we work together to make this world a better place for one, for all. Let's dream big and leverage our connections and the power of Rotary to turn big dreams into reality.

We are living in a fast-changing world. Instead of viewing this as an adversity, I see this as an advantage we are building for ourselves. We have become so comfortable switching between online and on-site meetings as the situation calls for. Staying flexible is the key to adapting and retooling as we move into the new norms.

Adopting new club models and recruiting younger members, Satellite Clubs, and cause-based clubs are areas to be further developed. We'll strive to exercise our imagination and develop approaches that would make these new club models work.

Our creativity and innovation shouldn't stop there. In Rotary, we serve to change lives. Embracing change helps us to stay in touch with what's going on around us. Let's develop new approaches and new ideas to serve in more innovative and impactful ways.

"Logic will get you from A to Z; imagination will get you everywhere." **Albert Einstein**

The next steps to making a better world are limitless.... If you can dream it, you can do it! Let the Rotarian spirit shine as we IMAGINE Rotary.

Yours in Rotary Service,
Nancy J Stearman
District Governor 2022-23
