## President's Corner

By Louis Fowler on Friday, July 22, 2022

As we near the end of the calendar year, the Diversity, Equity, and Inclusion committee will host a club assembly.

To prepare the way, the DEI committee would like to begin a "Getting to know You Minute" during each members meeting prior to the club assembly.

The DEI committee wants us all to get better acquainted, and to that end I'll explain what a Getting to know You Minute is, and also model one for you during the first Thursday meeting in August.

I hope you are there, and please try and join the club at the Prospect Gustavo's restaurant for the fourth Thursday gathering, next week.

Yours in Rotary,  
Louis Fowler

Congratulations Toby Reed on becoming a Paul Harris Fellow. Toby's accomplishment has come only 10 months since becoming a member! He will celebrate his 1 year Rotary anniversary in September. Toby adds enthusiasm and value to our mission in Service Above Self and gives his time and talent to our club in many ways, like serving on the Diversity, Equity, and Inclusion Committee. Well done, my friend!

## IMAGINE Rotary

By Nancy J. Stearman on Wednesday, July 6, 2022

"Imagine Rotary" is our theme this year, as we work together to make this world a better place for one, for all. Let's dream big and leverage our connections and the power of Rotary to turn big dreams into reality.

We are living in a fast-changing world. Instead of viewing this as an adversity, I see this as an advantage we are building for ourselves. We have become so comfortable switching between online and on-site meetings as the situation calls for. Staying flexible is the key to adapting and retooling as we move into the new norms.

Adopting new club models and recruiting younger members, Satellite Clubs, and cause-based clubs are areas to be further developed. We'll strive to exercise our imagination and develop approaches that would make these new club models work.

Our creativity and innovation shouldn't stop there. In Rotary, we serve to change lives. Embracing change helps us to stay in touch with what's going on around us. Let's develop new approaches and new ideas to serve in more innovative and impactful ways.

"Logic will get you from A to Z; imagination will get you everywhere." **Albert Einstein**

The next steps to making a better world are limitless.... If you can dream it, you can do it! Let the Rotarian spirit shine as we IMAGINE Rotary.

Yours in Rotary Service,  
Nancy J Stearman  
District Governor 2022-23
