African Adventure

Local artist talks about capturing the moment

Lucas Ryan Chambers, an internationally published photographer, writer, and videographer. Originally from Hawaii, he has traveled the world in search for the next great adventure. When he's home in Clarksville with his family, he spends most of his time working on local projects throughout Middle Tennessee. Owner of, The Dude with a Camera, he's recently traveled to Namibia, South Africa, and Haiti with an upcoming trip to Iceland in the works. While he loves traveling and experiencing all the world has to offer, home is where some of his most meaningful work is created.

[During the trip I] stood 25 feet from a black rhino and her calf, was snuck up on by lions in the middle of the night while taking Milky Way photos, got stuck in knee deep sand pits and even lost half of the crew 4 days in.

Mission:

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional and community leaders.

Welcome new members!

If you see them, say hello! Our club has inducted several new members in the past few weeks. Adding service-minded people to our group will make us stronger and allow us to create more good in the community. If you have a perspective member, talk to Cheryl Moss about how to propose new members to join our club.

World Polio Day, Oct. 24.

Do you have an idea for a club project centered around polio eradication?

Tell President Jane Ondocin and maybe we can make it happen!
