MAURY COUNTY PARK

This week we will be having a field trip to the Rotary Shelter at Maury County Park. Al Ray will be there to talk to us about the Park. Also, Chad Frey of Muletown Aerial will be at the park to demonstrate his drones. This should be a lot of fun and the weather is looking great for Thursday!

Congratulations to Emma Martin, our latest recipient of a Jack Carlton Scholarship Award

GREAT AMERICAN CLEANUP

This year the Great American Cleanup has been scheduled on April 24th. I am working with Melissa about the event as I would like for us to participate again this year. I will plan to be at the Maury County Park Stadium Parking Lot (Lindsey Nelson Stadium) to pick up supplies around 8:30 and then meet at our starting location around 9am. We will return to the park after we are done with our work to drop off the remaining supplies and the gathered trash. Look for a separate email from me later in the week with more information!

WKRM RADIO

Last week we had Delk Kennedy from WKRM Radio – Front Porch Radio with us to talk about their mission and how they are excited to be a part of the community. Delk Kennedy and James Dickenson (one of our newest Rotarians) discussed the radio platform and it's importance to Maury County through the years as well as going forward. I for one look forward to hearing them talk about our upcoming Rotary Club events!

MUSIC IN MAURY – THE 2021 REBOOT

As spring appears to be on our doorstep, we now must turn our efforts to our Music in Maury Fundraiser and start thinking about who you plan to approach in search of donations for this great event. We should be receiving information soon on the event as the date and venue have been tied down so be prepared to get out there and hunt for the perfect sponsors for this event!
