#### Rotarian Tina Holt Highlights Mission Work with Advocates For Africa

Rotary President John Johnstone, Speaker Rotarian Tina Holt, and Advocates for Africa Supporter Blake Perry

The Lawrenceburg Rotary Club heard an inspiring presentation from Rotarian Tina Holt on her work with Advocates For Africa, a Christian ministry focused on bringing hope, compassion, and education to the people of Rwanda.

Holt, a long-time supporter of the organization, shared stories from her multiple mission trips to Ruhula, Rwanda. She emphasized the vital work being done through the Life Center, where children receive care, education, and spiritual support. Among the many impactful programs, the group provides school uniforms, daily meals, and classroom instruction through Advocates Christian Academy (ACA). A new ACA Middle School is currently under construction to expand the reach of their mission.

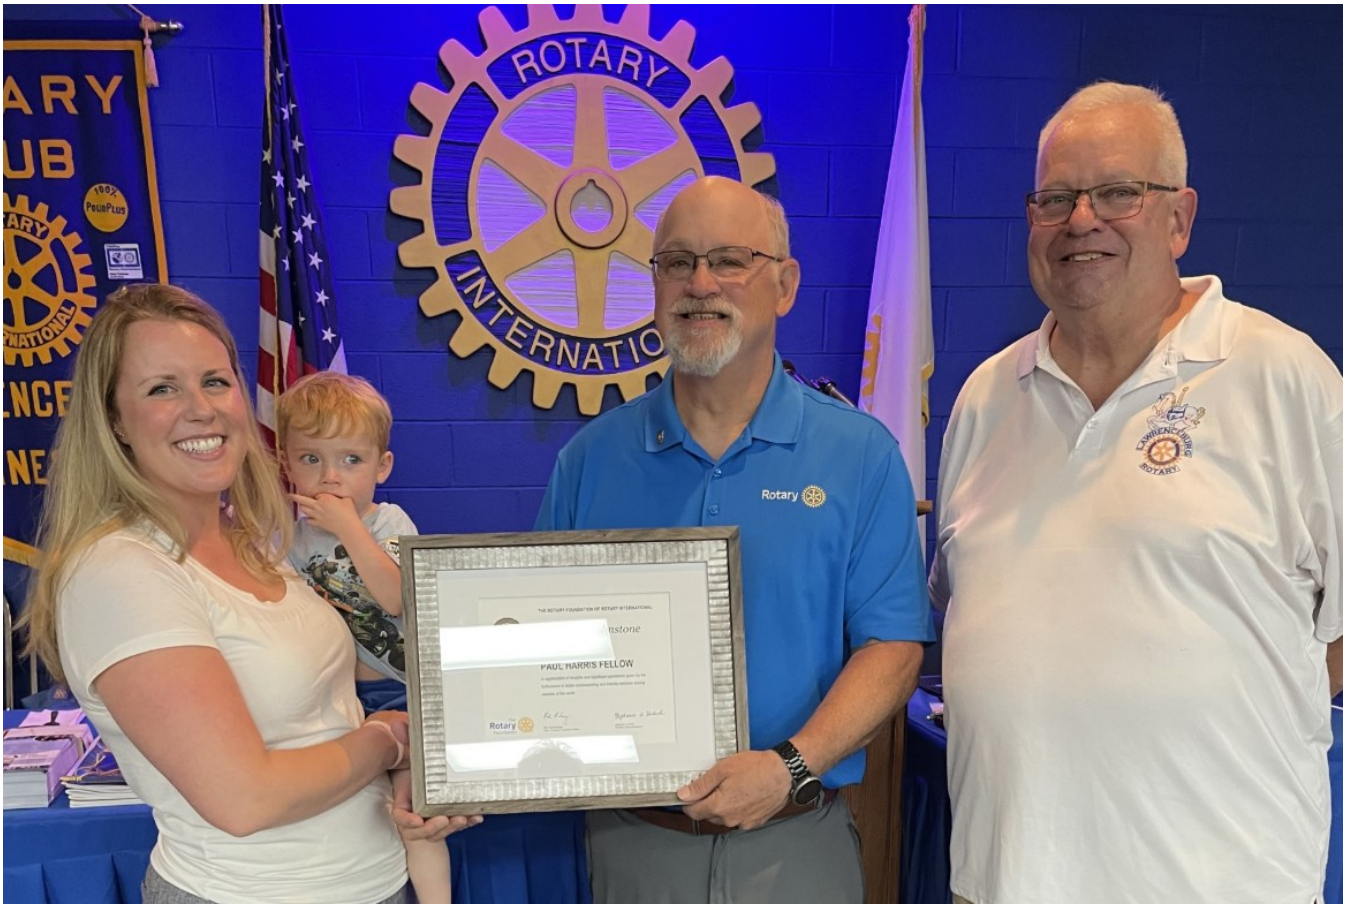

Highlighting the tangible impact of giving, Holt noted that just \$17 can feed a child for an entire month. She also shared her personal sponsorship of several Rwandan children, a commitment also taken up by fellow Rotarians Tiffany Cope and Maria Santini, who sponsor children through the organization. Most of the organization's funding comes from a single major donor, but Lawrenceburg Rotary Club has proudly supported Advocates For Africa with cash donations for the past two years and voted to continue that support into the coming year.

Holt contrasted the ministry-run school with government-run schools in Rwanda, praising the greater individual attention and care provided through Advocates. She encouraged others to learn more or get involved by visiting [advocatesforafrica.org](http://advocatesforafrica.org)

**New Paul Harris Fellow Megan Johnstone with son Declan, Rotary President John Johnstone, and Rotarian Bill Phillips**

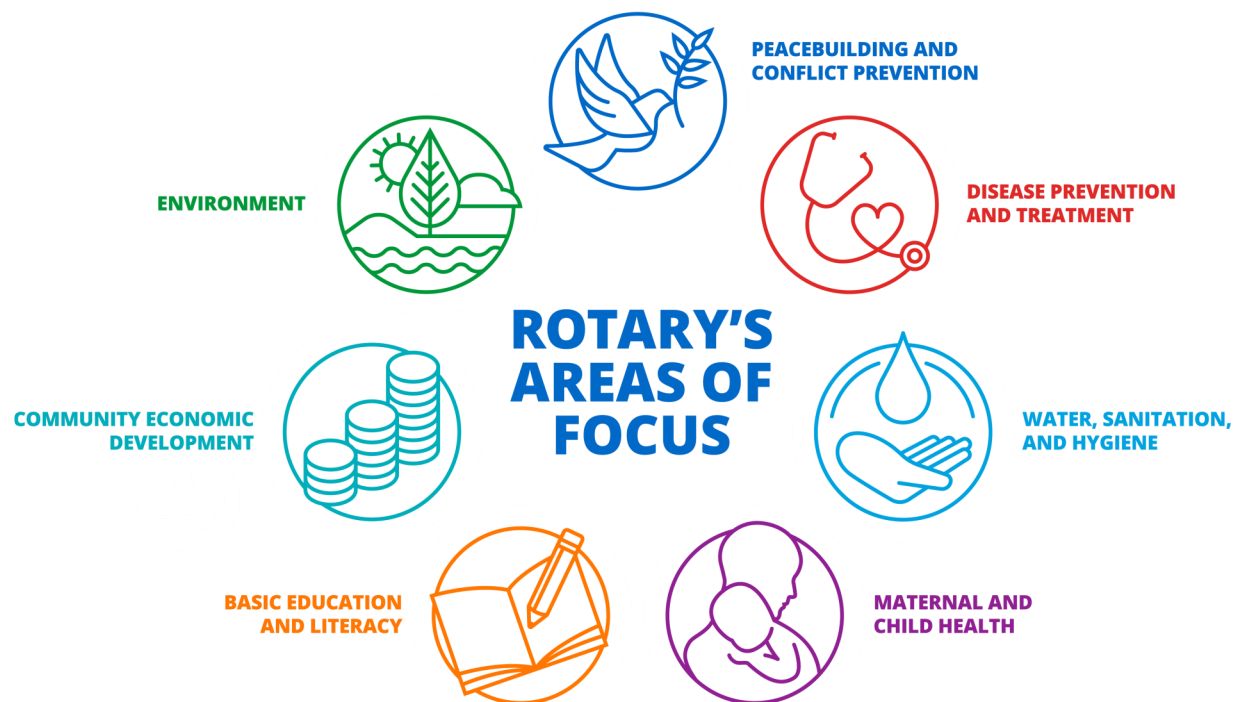

The Lawrenceburg Rotary Club was proud to recognize Megan Johnstone as its newest Paul Harris Fellow during the club's meeting on Friday, June 13. The recognition was made even more special as Megan was named a Paul Harris Fellow by her father, John Johnstone, who currently serves as President of the Lawrenceburg Rotary Club. The presentation was conducted by Rotarian Bill Phillips, a longtime Rotary Foundation advocate and past Foundation Chair.

The Paul Harris Fellow recognition is one of Rotary International's highest honors and acknowledges individuals who contribute, or have contributions made in their name, of \$1,000 or more to The Rotary Foundation. The Foundation supports Rotary's worldwide programs including the eradication of polio, clean water initiatives, peace and conflict resolution efforts, and education.

By naming Megan as a Paul Harris Fellow, President Johnstone not only honored his daughter's support of Rotary ideals, but also reinforced the club's ongoing commitment to Rotary International's mission of doing good in the world. The Lawrenceburg Rotary Club meets weekly and actively supports both local and international service projects that reflect the Rotary motto: "Service Above Self."
