Program—The X Radio with DJ John Ferrante

Pictured above: President Phillip Hood with John Ferrante and presenter Ben Luna. John grew up in the northeast and moved to Los Angeles to pursue a musical career after graduating from college with a degree in marketing. He worked as a salesman for a small company that sold guitar strings and eventually opened his own showroom where he sold instrument supplies and amplifiers to artist's in the LA area. Along the way, he met band members from many famous groups and artists including Bonnie Raitt, Elton John and The Eagles. He also worked in a band support role on the Tonight Show starring Jay Leno. He moved to Summertown about three years ago and has fallen in love with Lawrence County and its people. He has been the afternoon DJ at The X Radio for a little over a year and was the Master of Ceremonies at Rotary's Tennessee Music and Food Festival in April.

If you are bringing guest(s) to a Friday Rotary Meeting, please notify Jim Ward at (931) 201-1531 by Wednesday so that the appropriate number of lunches can be ordered
