Prayer John Johnstone
Pledge Jason Weaver
4-Way Test Jeff Johnson

Program— Gobbler Springs Distillery

Pictured President Greg Kelso, Master Distiller John Hatcher, Spouse Linda Hatcher and presenter Rotarian Sissy Garner. The Lawrenceburg Rotary Club welcomed John Hatcher from the Gobbler Springs Distillery, Mr. Hatcher is the Proprietor and Master Distiller at his family owned business on Gobbler Springs Lane near Lawrenceburg. The distillery is currently a small operation that is developing its distilling processes while producing approximately five gallons of spirits per day. Products include Whiskey, Shine, Vodka, Gin and a new product being sold as Juice and Gin. According to Mr. Hatcher, water PH is the primary factor that determines the quality of a given spirit, and Lawrence County water is perfect for the purpose. His product is typically aged in oak lined barrels for 4 years between production and sale.

Tours are available at the distillery but due to its remote location, anyone interested visiting the property should text or call ahead at 931-300-3753 to make sure that Mr. Hatcher will be on site. Several Rotarians enjoyed samples of Gobbler Springs products after the program.
