Program—Air Evac with Manager Bill Glass

Picture above Bill Glass from Air Evac. Air Evac is part of the AirMedCare network which has over 300 locations in 38 states. Mr. Glass represents the Lawrenceburg and Waynesboro bases. Air Evac provides emergency medical transportation by helicopter from a local accident scene or hospital to a high level care facility, usually in Nashville. Local residents can purchase memberships which guarantee that they will not have any out of pocket expense for the service if it is needed. Membership is not required to receive service, however non-members are at the mercy of their insurance carrier for part or all of the resulting expense. According to Mr. Glass, over 25% of Lawrence County households are members of Air Evac; a level that places our community in the top ten percent nationwide for market penetration. Annual membership fee for a local household is \$85 (\$65 for seniors 60 and over).
