Program—Hope Botanical Gardens by

Jerry Clayton

Pictured above President Jason Armbruster, Presenters Jerry Clayton and Jackson White and Rotarian Bob Augustin. Hope Botanical Garden is a nonprofit, 501(c)(3) organization that was established on June 7, 2017. The garden currently owns and operates four acres of land in Lawrence County Tennessee, just off US Hwy. 43 in Leoma. The land was donated to the garden and is being developed under the direction of our all-volunteer staff and board of directors. The garden opened to the public in April 2022. The presentation included drone footage of the garden when it was first planted in 2017 and similar footage of the garden as it exists today.

Bill Phillips on right presented a second level Paul Harris Fellow pin to Rotarian Ed Trimmer.
