LAST MEETING (January 13, 2023)  
Polio Plus Foundation by Kim Kim

Pictured above President Jason Armbruster, Rotary Past District Governor Kim Kim and Rotary District Governor Eddie Allred. PDG Kim served as Rotary District 6760 Governor in 2014/15 and is currently the District's Polio Plus Coordinator. Polio Plus is a Rotary Foundation program that is dedicated to eradication of polio from the face of the earth. Kim described how he had seen Rotary in action while growing up in Korea and how he knew he wanted to become a Rotarian from an early age. He and his family migrated to the USA and after living a number of years in the Hendersonville area, Kim was invited to join the local club. Along the way Kim participated in a Rotary Foundation sponsored Polio Immunization mission in Africa where a mother thanked him for "coming all this way to save my baby". Kim related how this became a life changing experience which cemented his desire to serve humanity through Rotary. He concluded his presentation by relating how individual support for The Rotary Foundation finds its way to projects such as his mission trip to Africa, and how this is a great way for local Rotarians to make a difference in the world.
