RYLA graduates Garrett Pilkinton and Rory Parham spoke about how their participation in the RYLA camp taught them how to work in a Team Environment and better interact with people whom they had never met. They each thanked the Rotary Club for nominating them for the program and covering their cost to participate. Graduate Anna Daniel also attended the meeting but had to leave before speaking due to a scheduling conflict.

Rotary Youth Leadership Awards (RYLA) is an intensive leadership program for young people ages 15-18. Organized by Rotary District 6760, RYLA allows participants to learn new skills through civic engagement and personal and professional development opportunities. Talented high school students are chosen from among their peers to attend a series of outdoor activities, leadership training events, seminars, etc. each June. Lawrenceburg Rotary sponsors up to six students recommended by High School faculty to participate in a 4 day program conducted at Austin Peay State University each year.

If bringing guest(s) to a Friday Rotary Meeting, please notify Donna Pack at (931) 201-1531 by Wednesday so that the appropriate number of lunches can be ordered.
