LAST MEETING (Aug 11, 2023)

Nashville's Big Back Yard w/ Debbie Landers

Pictured above President Tiffany Cope, Debbie Landers from Nashville's Big Back Yard and Rotary Program Chair Tina Holt. Ms. Landers spoke on Nashville's Big Backyard of its natural watershed region anchored by 100 miles of the Natchez Trace Parkway and made up of 12 connected communities with populations under 5,000 people. The backyard is an organization that pools resources for tourism promotion and community development in its service area which is anchored by Nashville in the north and the Shoals in the south. Summertown and Loretto are two Lawrence County communities that directly participate in the program, however all of Lawrence and surrounding county communities are benefitting from its efforts. MS Landers described how pooling resources has made the region more competitive when competing for grant money and how its promotion of the area and its rural lifestyle is attracting new residents from across the nation. The group encourages people to "Come and Play, then Come and Stay".

Pictured Right, The Lawrenceburg Rotary Club welcomed Mike Howard as its newest member on Friday, August 11, 2023. Mike became the Chief Executive Officer at Southern Tennessee Regional Hospital in November after serving as the Chief Operating Officer at the North Alabama Medical Center since 2015. He and his family now reside in the Lawrenceburg area.

If bringing guest(s) to a Friday Rotary Meeting, please notify Donna Pack at (931) 201-1531 by Wednesday so that the appropriate number of lunches can be ordered.
