PAST MEETING (February 23, 2024)  
IAM4Kids with Vickie Creekmore

Picture above: President Elect John Johnstone, Director Vickie Creekmore, Founder Theresa Beck, Rotary Program Chair Tina Holt. IAM4kids is a local organization with the goal of providing a mentor for every school age child in Lawrence County who is in need of guidance. Founded in 1996, it was initially an after school program which shifted into a one on one meeting format in 2007. Children are referred to IAM4kids by school principals, guidance counselors, and teachers.

MS Creekmore described the conditions that many of their clients experience at home, and how mentors have made a major difference in their self confidence and ability to interact with others. Mentors go through a vetting process which includes training and a school system background check; then are matched up with a child who they will mentor weekly for about a year. Mentors spend one hour per week to purchase lunch and sit at school with their assigned child during their lunch period.

IAM4kids is community funded and is currently serving 25 clients who come from most of the schools in Lawrence County. According to MS Creekmore, one of the organization’s greatest needs is improved contacts at the school level, especially in the Summer-town area. Additional information may be found on the web at [www.IAM4kidsmentoring.org](http://www.IAM4kidsmentoring.org).

If bringing guest(s) to a Friday Rotary Meeting, please notify Donna Pack at (931) 242-3744 by Wednesday so that the appropriate number of lunches can be ordered.
