Alanna Harris gave an interesting presentation on her family farm business at the Lawrenceburg Rotary Club on Friday, February 7, 2025. Piney Branch Livestock is a farm to table beef business which is owned and operated by Mike and Alanna Harris along with son Boomer and the entire Harris family. The business manages 75 head of Brangus cattle which are born, raised, and processed locally to create their final product: farm-raised, sustainable beef. Selections include various cuts of roast, steaks, ground beef, and several specialty items which can be ordered online and picked up at various drop off points.
