Dear Fellow Rotarian,

As Rotarians, we show our thanks by our generosity...expressing our gratitude through selfless giving. Throughout the month of November, we highlighted the work of the Nashville Rotary Service Trust and the impact made through the Annual Footprint Fund. Hearing the stories and reflecting on the good works of our club gave me a tremendous sense of pride, but we could not make this mark without your support!

I am writing, on behalf of the Board of Directors, to ask you to pledge your commitment to the Annual Footprint Fund so that our good work may continue. Because of your past generosity, the Nashville Rotary Service Trust left the following footprints on the Nashville community this year.

- In September, 25 Rotarians worked alongside Doenesha Morris to build her first home. How fortunate are we to be able to provide peace and safety for our neighbors?
- Each month, we have the opportunity to gather at Second Harvest Food Bank to pack food packs for hungry kids in our community. Because of your donation, 1,225 kids have access to food over the weekend.
- We know that childhood literacy is a priority issue in Nashville. Because you give, we get to deliver books and read to kids in area schools.
- Service Above Self is never more alive than when Rotarians gather in December to sort, pack and deliver food boxes to nearly 2,000 families. Imagine the gratitude you would feel when someone knocks on the door with food to feed your hungry family.

These projects and others are made possible by your investment in the Annual Footprint Fund. This is the investment we committed to make when we joined Rotary and we recommit each year with our giving. The amount of the contribution is up to you. But I'm counting on each Rotarian to participate and cannot wait to share the results of our collective giving towards our **annual goal of \$200,000**. The power of Rotary is found in the collective. When we each come together to contribute, our ambitious goals are easily achieved.

We are fortunate to live and lead in a great city like Nashville. But great cities have great needs. Please consider a generous donation again this year so that our legacy of Rotary service can continue and we may continue to meet some of our community's greatest needs.
