VIRTUAL ROTARY-JUNE 7, 2021: ERIK MOSES, NASHVILLE SUPERSPEEDWAY

On August 21, 2020, Dover Motorsports, Inc. named Erik A. Moses President of Nashville Superspeedway, becoming the first Black man to hold that title at any NASCAR track. Moses is leading the efforts to reopen and revitalize the Nashville Superspeedway to host an annual NASCAR race weekend beginning June 18 – 20, 2021 and to develop a robust and exciting event calendar for the facility. The best drivers in America will compete in a triple header of races – including the Rackley Roofing 200 Truck Series race, the Tennessee Lottery 250 Xfinity Series race and the Ally 400 Cup Series race. Originally opened in 2001 but dormant since 2011, the Lebanon, Tennessee based facility has never previously hosted Cup Series racing and the Ally 400 will be the first NASCAR Cup Series race in the Nashville market since 1984. Prior to joining Dover Motorsports, Moses served as the founding President of the DC Defenders of the XFL. In that role, he was responsible for all aspects of the team's business operations and fan engagement, including ticket sales, corporate partnerships, marketing, content, communications and community engagement, and the game day experience.
