In his first five years on the job, the Titans finished with four consecutive 9-7 seasons followed by an 11-5 mark in 2020. It marked the first time the organization produced at least five consecutive winning seasons since a seven-year run of winning records from 1987–1993. The Titans, Seattle Seahawks and Kansas City Chiefs were the only NFL teams without a losing season from 2016 to 2020. Robinson became only the second general manager in franchise history whose first five teams finished above the .500 mark, joining Mike Holovak (1989-93).

Robinson's work helped the team go from three wins in the season prior to his arrival (2015) to a divisional round playoff finish following the 2017 campaign. He became the fifth general manager in franchise history to have the team in the playoffs within his first two full seasons. Then, in 2019, the team he constructed advanced to the AFC Championship game. It was the organization's first appearance in the conference title game in 17 seasons (2002). In 2020, Robinson and the Titans clinched the 2020 AFC South title with an 11-5 record in the regular season, claiming their best record and first division title since going 13-3 in 2008.

ROTARY RECAP

GET INVOLVED

FROM PRESIDENT LAUREN LANE PAYNE:

Every conversation I have had with our members over the past 6 months included one very important question and now I am asking each of you, How would you like to engage in your club? I want to challenge all of you to not just log into a virtual meeting, but to engage in Rotary.

- Grab a fellow Rotarian and come to the Wildhorse on Mondays – Parking is so much easier in the commerce street garage. Plus, Maya Bug and Tim Ozgener are chairing the speaker committee so you know it will be dynamic.
- Rotary After Hours is back and in person with the first event scheduled later in July thanks to the leadership of Abe Mbow and Falon Scott.
- Service projects are always on the horizon. We are working with Warner Elementary to create an engagement calendar for the school year so we can actively support the teachers and planning is already underway for my family's favorite activity, Feed the Need with Second Harvest
- And, don't forget to join a committee. Wherever your passion lies, bring it forward to us. One of the challenges of being a club our size is that you assume someone else is going to step up and take care of things. We need your help to make our club dynamic and impactful. And, I am excited to say that soon we will be searching for cochairs for a new Rotaract Club at Vanderbilt as students there are in the process of creating an official University club
