President's Note

By Eric E. Brown on Wednesday, June 19, 2024

Tomorrow's program: Passing of the Gavel

We have reached out to past Presidents and look forward to a very big day.

Please, if you are a Paul Harris Fellow, wear your pin and medallion.

We have a lot to do, and it always takes a long time, so we will try to start early.

Please try to get there as early as you can.

*****ANNOUNCEMENTS*****

Gretchen Rubin: "The days are long, but the years are short."

I feel these words immensely as I type this. It seems like only last week that Jason Surratt showed me how to send these weekly notes.

Likewise, Robert Stevens and I at the Rotary convention in Melbourne. Judy and I at PETS, and all of us together at the Fish Fry.

We accomplished a lot as a club. The Fish Fry was a wonderful success, thanks to each one of you.

\$225,000 seemed like a lofty goal when I announced it, but not for you all. It was obtained only through you.

Thanks to everyone who has contributed in any way, large and small to build the Fish Fry into what it has become over 21 years.

I set 14 Rotary International goals for our club to achieve last year. And thanks to each one of you, we met them all.

We may not all realize it, but Michael Wilson has done an incredible job of completing 17 service projects in the last year.

Our club logged 488 more volunteer hours than the second place club in our district.

The accomplishments belong to the club, the failures are mine alone.

I am proud to have had the honor of serving as your president.

I look forward to supporting Judy King.

We look forward to seeing you tomorrow.

And, yes, I cried. I will try not to tomorrow.

I love you all and this club.
