Our guest speakers this week will be from The American Red Cross, where our very own Ginny Williams serves as the Chairman of the Board of Directors. The speaker will be Bob Martin and the topics he will discuss are "The Mission of the American Red Cross" and "Hands on CPR."

*******Special Reminder******* PerMobil representatives will be joining the club for lunch. Just before 1pm, we will have one of the representatives give a brief introduction regarding the 2 chairs they will be presenting to 2 children, who are unaware of this. The 2 children will be having lunch with their family in the public dining room and will join us at 1pm. The chairs will be presented to them at that time.....so.....stick around and don't be in a hurry to leave. Let's celebrate with these families!
