Join us tomorrow at the Smyrna Event Center for our weekly meeting! We will also have our meeting via Zoom so that you can attend virtually (link at the bottom).

Program: Jonathan Taylor

Red Cross disaster program-What to do when it rains too much.

ANNOUNCEMENTS

1. I've said it before and I'll say it again. Thank you! Thank you to all of our members who stepped up and volunteered at the WOFFF. It was a great event and we have heard from many people just how much fun they had. Thank you again! We're still finalizing some of the info, but once we have totals, we'll let you all know.

2. Unfortunately, we have some sad news. Admiral Jimmy Taylor's wife, Annette, passed away on September 9, 2022. Her obituary can be found at the link below. Our Board of Directors has decided to make a financial contribution to our endowment in her name/honor. Please keep their family in your thoughts and prayers.

3. Social - We have an upcoming Club Social at Baker Raborn's house on Saturday, September 24. More info to come, but we need to get a headcount for food ordering purposes.

4. Rotary Leadership Institute (RLI) - You should have seen an email from J.D. Rottero about the open registration for RLI that was sent out on Friday, August 19. This is a 3-part Rotary leadership class that is a lot of fun as you learn a lot about Rotary International, our District and even down to our club. You make lots of friends and walk away a better Rotarian. Also, our Club has agreed to pay the registration cost for anyone interested in RLI parts I, II or III. Please let an officer know about your interest and we'll help in getting you signed up.

5. Volunteers Needed - All of our cooking equipment has been washed and is waiting at the Event Center. We need a group of about 5-6 people to help with loading it into our trailer. We will do this right after the meeting. It won't take long, especially if we have a good group of people helping out.
