## President's Note

By Eric E. Brown on Wednesday, October 25, 2023

President's Note

By Eric E. Brown

Wednesday, October 26th. 2023

Join us tomorrow at the Smyrna Event Center for our weekly meeting!

Program: Tim Estes, Founder of Angel AI

Tim will be speaking about Artificial Intelligence and the uses that can be harmful and/or helpful.

\*\*\*\*ANNOUNCEMENTS\*\*\*\*

Please remember to attend Thursday night's Interact Thank You event. It will be held at the Traditions of Smyrna.

700 Great Circle Drive, Smyrna. It is the 4-story building to the side and slightly behind the fire station on Rock Springs Road.

There is no cost to attend.

Included is Pizza, Ice Cream and drinks.

But, most importantly, we are thanking them for their service.

As part of the festivities, we are going to announce a new partnership with the Interact clubs to complete service projects in the community.

It should be a fun and exciting time, for us and for them. We are currently expecting 59 students. I would love to see all of you there as well.

Please wear your WOFFF shirt if you can.

Notice: The Hot Cakes and Holly event below. We have tickets available. I would love to see a huge turn out of Smyrna Rotarians to Murfreesboro's fund raiser.

There are several things going on in the district:

Habitat for Humanity Cooking to Build November 4 Murfreesboro, TN

Hot Cakes and Holly Pancake Breakfast December 9th. 7:30-11:00 Murfreesboro, TN

Mid-Year Conference November 17-18 Franklin, TN

Rotary Leadership Institute (RLI) February 3 Murfreesboro/Smyrna

District Conference June 7-8 Jackson, TN

We look forward to seeing everyone in person tomorrow.

## Committee List 2023-24
