ANNOUNCEMENTS

***** We need to have a quick board meeting before our lunch meeting today. Need about 2 minutes to discuss something. *****

DISTRICT 6760 MID YEAR CONFERENCE - Registration is now open for our Mid Year Conference. This is a great opportunity to meet other members, learn and also share with others about what our club does. We already have a few people that are going, so the more the merrier! [Register NOW](#) for **District 6760 Mid Year Conference and Foundation Dinner**

SERVICE PROJECTS - We have a fun service project this weekend. If you're interested, please see Michael Wilson. Please see below.

- Cookin' To Build - Saturday, November 5 we will be participating in the Habitat For Humanity Cookin' To Build, which is a soup competition. We compete against the other two clubs, so we need a good showing here!

COMMITTEES - I'm thrilled to announce that Michael Wilson has agreed to chair our Service Projects Committee and Amanda Johnstone has agreed to chair our Membership Committee. Thank you to both for your willingness to step up and help the Club! If you'd like to help either committee, please let them know.

We still need people for our Public Relations Committee and a Rotary contact for the LaVergne Interact Club.

All of these committees are what drive our club. Please plan on being involved in at least one committee, if possible.

BOARD MEETING DATE CHANGE - Please note our November Board Meeting is changing from November 8 to November 15. It is still scheduled from 11:30a - 1p.
