ANNOUNCEMENTS

DISTRICT 6760 MID YEAR CONFERENCE - Registration is now open for our Mid Year Conference on 11/19. This is a great opportunity to meet other members, learn and also share with others about what our club does. We already have a few people that are going, so the more the merrier! [Register NOW](#) for **District 6760 Mid Year Conference and Foundation Dinner**.

NEW MEMBERS - We had two new members proposed at the Board Meeting this week. Both were approved and start their 7-day vetting period. If no objections are received, they will be new members as of next Thursday.

- Stephanie Macca
- Natalie Wilson

COMMITTEES - I'm thrilled to announce that Cheryl Bryan has agreed to chair our Public Relations Committee and Hodge Patterson has agreed to chair our La Vergne Interact group. Both have stepped up and taken a leadership role but would like some help, so please consider helping them. Thank you to both for your willingness to step up and help the Club!

We still need people for our Public Relations Committee and a Rotary contact for the LaVergne Interact Club. All of these committees are what drive our club. Please plan on being involved in at least one committee, if possible.

GRANT RECIPIANTS - The Club Board has reviewed the applicants and made recommendations to the Foundation. The Foundation then approved the recommendation and will be funding grants for all 20 of our applicants we had this year. The attachment is the listing of the grant applicants and the funds they will be receiving. These grants will be distributed over the next couple of months. Thank you to all involved.

CLUB LEADERSHIP - It is that time of year that the Past Presidents are about to have their annual meeting. One of the responsibilities of this group is to nominate our new board members (3), board member alternates (3) and our next officer (1) to join the rotation. If you are interested in being on the Board or being an officer of the Club, please let a Past President know of your interest.

CONGRATULATIONS

Thursday Meeting Zoom Info
