TN Promise in 83 counties across the state, including Hamilton and all neighboring counties. TN Promise allows any graduating high school senior to attend one of our state's community or technical colleges, as well as a handful of four-year universities, tuition free.

Mr. Boyd will join us to share the story of the non-profit's journey that began humbly serving less than 500 students in 2008 and now serves more than 64,000 new students annually.

Rotary Assesment Fee

We all love to celebrate special times throughout the year. However, like everything else, the cost has gone up.

Because of this, your board of directors voted on March 9 to raise the cost of the Special Occasions Assessment by \$5.

We appreciate your understanding.

The change will take effect on April 1.
