R. Gordon R. McNally President Rotary International President 2023-24 September Newsletter

The International Day of Peace takes place 21 September. The United Nations General Assembly declared this a day devoted to strengthening the ideals of peace through observing 24 hours of non-violence and cease-fire.

It is not enough, as People of Action, to simply avoid making war. If we are to **Create Hope in the World**, we must aggressively wage peace.

Where can we begin? There are countless armed conflicts around the world, and the global population of displaced people is higher than ever. The opportunities are nearly limitless, but the cycles of violence and hardship seem endless.

My advice is to start small but think big. I look to Rotary members in Pakistan and India for inspiration.
