Cleveland Rotary Centennial Plaza Brick Program

Celebrating 100 years of Rotary in Cleveland

The Centennial Plaza Brick Program is available for everyone in the community who is associated with Rotary, its history, or would simply like to show support in celebration of the Cleveland Rotary Club's 100th birthday!

The pavers will enhance a future plaza located at the trailhead of the Cleveland / Bradley Greenway, at the northeast corner of Inman and Keith Streets. The trailhead will be the terminus/starting point for The Greenway and near the future underpass access to the local Starbucks.

Completion of the plaza (and installation of bricks) is subject to the completion of The Greenway Project, which is scheduled to begin in late 2024 and completed in 2025.

Cost of Brick: \$100
