If a fellow Rotarian asks you to do something . . . the answer is always yes.

By Kelsey O'Daniel on Monday, May 1, 2023

If a fellow Rotarian asks you to do something . . . the answer is always yes.

Last week we heard from First Row Badger Wayne Wilhem. Wayne shared all about his journey in life and as a Rotarian. We learned that Wayne has never really figured out what he wanted to do so he took so many classes in college he basically majored in everything. Wayne's Rotary journey began after the start of his first business. He was invited by Edward Serum in 1981 and he has been a part ever since. Just in case you are wondering, that is 42 years. During Wayne's orientation he was given some great advice that has always stuck with him "if a fellow Rotarian asks you to do something the answer is always yes". This advice led to Wayne having served in about every capacity possible. In Wayne's 42 years he has been President, President on the Cleveland Rotary Foundation, served on every committee, and I am sure much more. Having 42 years of Rotary experience under his belt it is safe to say Wayne has a wealth of knowledge and wisdom and chose to leave us with a quote from Paul Harris, "Rotary is built on the foundation of friendship."

Did I mention Wayne has been in Rotary for 42 years?
