Junior Achievement of the Ocoee Region was featured during the October 31 Rotary program. Rotarian Jennifer Penell-Aslinger has led the local nonprofit for the past six years following service as a volunteer and 20 years on the board.

Founded in 1965, JA has been a staple of our community. It reaches into our local schools with programs promoting financial literacy, healthy spending habits, how to build a budget, entrepreneurship, and work readiness.

Jennifer introduced Dr. Joe Parker, a teacher at Black Fox Elementary who pivoted his career from banking to teaching based on his experience with JA. He explained in detail one of JA's most successful programs, JA Biztown, and introduced the upcoming JA Inspiration Hub set to debut at the PIE Center.

Joe's testimonial demonstrated the effectiveness JA can have on both a student and volunteer's life. Joe said JA, "helps students look beyond the classroom where they can make a difference. JA can alter the course of a student's life, but it can also change a volunteer's life."
