NEW DISTRICT GOVERNOR DAVID CARROLL

July 1, 2025

Welcome District 6780 Governor - David Carroll

David Carroll
2025-2026

David is a member of the Rotary Club of Cleveland, Tennessee. He currently serves as District Grant and Club Certification Chair. Joining Rotary in 1989, David led his home as club president in 2001-2002.

In District 6780, he is a graduate of the District Leadership Academy and served on the DLA faculty. David has also served as Assistant Governor, District Secretary, and District Foundation Chair. He is the recipient of The Rotary Foundation Citation for Meritorious Service and the District 6780 Interact Eagle Award. As a supporter of The Rotary Foundation, David is a Major Donor and member of the Bequest Society.

A native of Bradley County, David is a graduate of the University of Tennessee at Knoxville and works in the real estate and auction professions. David's son, Jerome, attends Lee University in Cleveland.

MESSAGE FROM OUTGOING DG ROB DANSEREAU

Congratulations to Immediate Past District Governor - Rob Dansereau

So one more District leader to thank for their service this past year and that is Immediate Past District Governor, Rob Dansereau.

Thank you for your leadership, your dedication, and all of your efforts to be there for the Rotarians of District 6780. Rob didn't miss many, if any, fundraisers, service projects, dedications, and other club events this past year. And remember, Rob is still working and is employed and is busy in his own right.

He led a great team and you can see that in the Foundation numbers, for instance. As of today, and the numbers aren't

final, \$895,299 (\$314.14/capita) was donated to The Rotary Foundation. His goal was \$1M but that's not a bad number to report. When you combine it last year's total, the District has donated \$1,776,071 (\$623.18/capita) to The Rotary Foundation the last two years!

Our District is blessed with great leaders and Rob didn't fail the past leaders. Thanks, Rob, for your service as our District

CONGRATULATIONS TO BETH STUBBS

RI Director/Treasurer Beth Stubbs Completes Two Years of Service to Rotary International

Let's take time to congratulate our own Beth Stubbs on her service to Rotary International as a Director and Treasurer the

last two years. Beth excelled in her performance at RI. Beth was one of several District 6780 members who have served at Rotary International over the years. Thank you for representing our District in such an outstanding way. Beth is a member of the Rotary Club of Maryville. Thank you, Beth.

Rhonda "Beth" Stubbs is a certified public accountant who earned her degree at Plymouth State College. After working as a CPA at a Maryville firm, she set up her private practice in 1994, focusing on consulting with small-business owners on account management, finances, and exit strategies. She also worked as chief financial officer for 14 years for her husband's business, Trinity Benefit Advisors. Stubbs is a member of the American Institute of Certified Public Accountants and the Tennessee Society of Public Accountants.

Stubbs, who started frequenting Rotary club meetings at age 8 with her father, joined the Rotary Club of Maryville in 1991. She has served her district in several capacities, including as chair of its finance, Foundation, and leadership development and education committees. Stubbs has attended 22 Rotary International Conventions, traveled to New York City for Rotary Day at the United Nations, helped with a National Immunization Day in India, gone to Mexico for club partnership projects, and attended various zone meetings around the country. Stubbs has served on the Administration Committee, the Council on Legislation Advisory Committee, and the Joint Audit Committee.

During a zone meeting in New Orleans that she attended with a Rotary friend — before either had yet served as club president — she learned about Ambassadorial Scholarships and Group Study Exchange. Inspired, she and her friend worked together to help set up these activities in her district. "We saw there was a whole world to Rotary, and we wanted to bring it to Maryville," Stubbs says.

In addition to bagging and delivering food for schoolchildren with her "small but mighty" Maryville club, Stubbs has worked with her district to raise \$1.3 million for polio eradication through the sale of "purple pinkie" donuts and other fundraisers. The satellite club she helped start in her district is still going strong. "I look forward to applying my skills as a CFO on the Board, and to working with clubs in my zones to build the knowledge base about Rotary and its possibilities," she says.

Stubbs has served on the boards of local nonprofits, including the Michael Dunn Center, which serves people with developmental disabilities, and Asbury Place, a regional retirement community organization. She also served in officer positions in Toastmasters International and is active on several committees at her church. In her spare time, she enjoys reading, traveling, and attending football and basketball games at the University of Tennessee.

She and her husband, Tony, support The Rotary Foundation as Arch Klumph Society members.
