WAL-MART GRANT GIVES CLUB ANOTHER GRANT

Wal-Mart has given the club a \$3,000 grant to support its activities. Club Foundation Chair Steve Douglas reported that, combined with a previous \$2,000 grant, Wal-Mart has provided \$5,000 total to the club. The club continues to apply for available grants from various corporations and agencies to help fund the many community projects we perform, including the blue jean gifts to qualified children at Christmas, scholarships to deserving graduates and adults continuing their educations and the dictionary giveaway to every third-grader in the county.

LUNCH SURVEY DISTRIBUTED, BOTH ONLINE AND ON PAPER

The club is beginning to lose money on our weekly lunches. Despite the hard work by the lunch committee, not everyone who attends our weekly meetings buy lunch. Therefore, club President Sheryl Webb has sent a survey via e-mail to all club members. The members can choose whether to add the cost of lunch to their quarterly or monthly dues, or have the club no longer provide lunch. With the second option, those who wish to eat at meetings would bring their own food. Paper ballots were also made available at last week's meeting. If you have trouble submitting the e-mail ballot, and did not get a paper ballot, let Sheryl know your preference.

PROGRAMS NEEDED FOR NEXT YEAR

Program Chair Scot Shanks needs programs for next year. If you know someone who would like to speak to our club at our weekly meeting, or who could entertain our club, let Scot know and he can let you know what dates are available. Scot asks that you secure a date before booking a program.

PURPLE PINKIE CAMPAIGN RAISES \$1.45 MILLION

CHICKEN BARBECUE 2023 IN THE BOOKS

The club's annual Chicken Barbecue is in the books for another year. However, there is one more step. After this week's regular meeting, volunteers will go over to the First United Methodist Church site to rake the area where the chickens were cooked. Anyone who owns a garden rake (grass or leaf rakes are not as effective) should bring it to the meeting. The more rakers we have, the less time it will take. Although the weather was unseasonably warm last Friday, the cooks had to fight tough wind gusts. Club President Sheryl Webb thanked the many volunteers who made the event a success. Check out the club's Facebook page for pictures.
