MAKING A DIFFERENCE

READ TO SUCCEED

Rotary Clubs Promote Literacy Among Local Students

Did you know that the four Rotary Clubs in Wilson County partnered again to support the Read To Succeed program? Because of their combined efforts, first graders across the county received a new book monthly throughout the school year!

We again honor Cris Teal for her tireless service since the program's inception three years ago. She's passionate about children having books because her love of reading began early in her life. She wants kids to experience the joy of reading just as she did.

Cris expressed appreciation for Audrey Hamblen Glen from West Wilson Elementary who coordinates the program. Elaine Nawiesniak has helped with distributing books in Lebanon in recent months also. The process includes picking up the books and placing the Rotary label in each one. The books are then delivered to Jones Brummett Elementary, Castle Heights Elementary, and Coles Ferry Elementary. This school year, about 4,000 books were delivered to the three schools!

ROTARY YOUTH EXCHANGE

REPORT FROM ROTARY YOUTH EXCHANGE STUDENT IRIS WILLIAMS!

Here are some highlights from Iris's Adventures in April:

April was another busy month. Iris hiked a lot with her host sister and other family/friends, experiencing much of the Polish countryside. One hike ventured into the Czech countryside, ending at an 18th century church tower. Iris referred to this one as the enforced march – her sister neglected to mention it was a very hilly 4+ mile hike!

Rotary organized a trip to Krakow for all the inbound students where they toured the famous Krakow salt mines and visited Auschwitz-Birkenau, the former Nazi concentration camp.

Back in Wroclaw, Iris attended the very formal Easter dinner with her Rotary club and celebrated the holiday with her extended host family. She and another Wroclaw inbound student made a presentation to a large Rotaract club in the city. (Rotaract interests her and played a role in her decision to attend Virginia Tech next year since there is a large, active Rotaract club at the university.)

WHAT IS A ROTARACT CLUB?

Rotaract is a Rotary-sponsored service club for young men and women. Rotaract clubs are either community or university based and are sponsored by a local Rotary club. This makes them true "partners in service" and key members of the family of Rotary. Young adults who participate enhance their knowledge and skills, address the physical and social needs of their communities, and promote international understanding and peace.

In our District, Rotaract Clubs operate on the following campuses: Cleveland State, University of Tennessee, Tennessee Tech, Pellissippi State, Roane State, and UT - Chattanooga.

ROTARY INTERNATIONAL

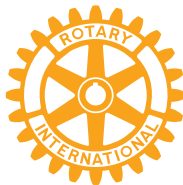

MAY THEME: YOUTH SERVICES

Rotary believes in developing the next generation of leaders. Our programs help younger leaders build leadership skills, expand education, and learn the value of service. Four key youth programs include INTERACT, YOUTH LEADERSHIP AWARDS, YOUTH EXCHANGE, and NEW GENERATIONS SERVICE EXCHANGE.
