GOLF TOURNAMENT

PRESIDENT'S CORNER

Happy New Year!

2023 is now in the rearview and we are pressing full steam ahead into 2024 with the same continued goal of creating hope in our community. One way that our club has exemplified this is through our service projects. From working at the fair booth, to helping local nonprofits like Joseph's Storehouse and New Leash on Life and giving blood, to helping a first-time homeowner complete their home through a Habitat for Humanity workday, our club has been there. Ensuring all first graders in Wilson County receive a free book every month to delivering holiday food baskets to senior citizens, our club has been there and will continue to be. These are just a few of the examples of how we have created hope and will continue creating hope in our community.

Another area of focus has been prioritizing mental health. We have been addressing this through education by having a series of programs focusing on this very important topic. This Spring will bring us even more opportunities to empower girls and mentor our youth through the SUCCESS District grant that we were awarded.

Our club is part of 1.4 million Rotarians in communities all over the globe who are united in our commitment to building a peaceful world. We strive to ensure that our words and actions prioritize the health and safety of our global membership and the communities where we live and serve. Still, we know that it is possible to bring all people together to work toward a shared goal. Rotary members do so every day in every part of the world. May our ability to unify in common purpose be a spark that helps bring light to the darkest places.

There is still a lot to accomplish, and time is flying by in my term. I am humbled and grateful for the opportunity to serve alongside of you as we work to make our world and our community a better place.

Andy

CREATE HOPE
in the WORLD

SPECIAL ANNOUNCEMENTS MEMBER SPOTLIGHT
