GOLF TOURNAMENT

PRESIDENT'S CORNER - REMEMBERING OUR FELLOW ROTARIAN

IN MEMORIAM

Dr. Robert Carver Bone

April 1, 1936 -
March 11, 2024

Robert Carver Bone, the first of three sons, was born April 1, 1936, to Sam Stratton Bone and Margaret Talley Bone. Robert grew up in Lebanon, where he attended McClain School and Lebanon High School, graduating as Valedictorian in 1954. He attended Vanderbilt University, where he was elected to Phi Beta Kappa and graduated magna cum laude. Following his undergraduate work, he earned his medical degree in 1962 from Vanderbilt School of Medicine. He later received his MBA from Vanderbilt Owen School of Business in 1985.

Known by his colleagues and patients for his genteel manners, kindness, professionalism and great bedside manner, Dr. Bone received many awards and recognitions over the years. Two of the most prestigious include being named a 2014 recipient of the Nashville Business Journal's Healthcare Hero Award in the area of Community Leader. In 2016, he was recognized by the United Neighborhood Health Services for the role he played in helping bring government funded healthcare centers to several low income, underserved areas in middle Tennessee.

Robert was a lifelong member of Lebanon's First Presbyterian Church, having served over the years as both deacon and elder.

He served his country over 30 years in the U.S. Army Reserve and Tennessee Air National Guard, retiring with the rank of Colonel.

His ties and devotion to Cumberland University were unsurpassed, having been a member of the Board of Trust for 60 years, twenty of these years as Chairman of the Board and subsequently as Chairman Emeritus. With Jeanette Rudy, he co-founded the Bachelor of Science Nursing program, one of the best in the state.

In keeping with the Bone family tradition, since 1964, Robert was an incredibly faithful member of both Lebanon Rotary clubs, the original Noon Club and later the Breakfast Club. He was a Paul Harris Fellow and in 2017 was the recipient of the Bernie Bass Community Service award presented by the Breakfast Club.

Regardless of the many accomplishments in the medical field, academia and civic areas, Robert's greatest area of pride and devotion was to his family. He is survived by his wife of over 30 years, Connie Lape Bone; son, Robert Carver Bone II; daughter, Bonnie Lesley (Kelly) Ramage; step-daughters, Ann Choomack and Kate Choomack; grandchildren, Ava Bone, Wyatt Ramage and Nick Ramage; brother, Sam Stratton (Marty) Bone; sister-in-law, Patricia Bone; niece, Suanne Bone; nephews, Hal (Tracy) Bone and Doug (Laura) Bone; and several great nieces, nephews, cousins and close friends. He was preceded in death by his parents Sam Stratton Bone, Sr. and Margaret Talley Bone and his brother Harold Gordon Bone.
