This Week's Program

Club Assembly - January 25th

This week will be a club assembly that will give time for club leaders to share with the club many of the accomplishments that have been made over the last year. While COVID-19 has raged on in the world, the people of the Rotary Club of Oak Ridge have continued to do good deeds in our community all throughout. Thank you for all that you do. This is your time!

Special Announcements

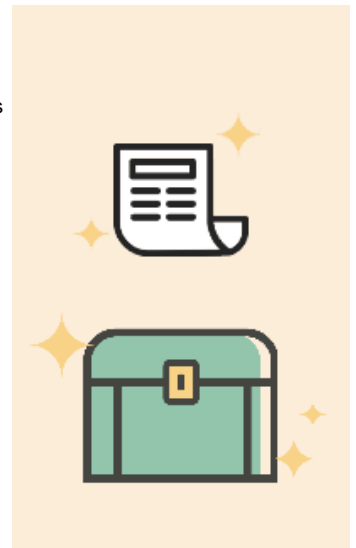

CALL FOR HELP - Share Your Oaktarian Treasure-Troves

In an update to last week's notice about the developing Oaktarian archives, John Gunning's latest discovery was a bounteous cache held by club member Jenifer Campbell. The collection, passed on several years back by Charlie Kuykendall, contained Oaktarians from 1989 through 1994. The discovery added three additional years to those that had been previously assembled by John.

YOUR MISSION - SHOULD YOU CHOOSE TO ACCEPT IT... Help John locate the missing years of Oaktarians.

Currently, the archives are missing 1963-1972. If you may have any issues from this period, you are called upon to assist the club in its 75th anniversary mission to secure this important history of our club.

Please direct any additional questions or leads to John Gunning at:

Online Appointment Scheduling for COVID-19 Vaccinations

In our continued public service announcements related to the vaccination process for COVID-19, we want our members to be aware of the rollout of a new initiative to end the chaos of first-come, first-served vaccinations.

The state has recently gone live with an online portal to schedule appointments, regardless of your county. Appointments may only be scheduled for individuals qualifying for the current phase of vaccination rollouts.

To review the rollout phases and see if you qualify, [click here](#).
