Last Week's Program

TennGreen Land Conservancy

Christie Henderson was the speaker and spoke about the importance of land conservancy. Christie works for TennGreen Land Conservancy and is based in Nashville. She stated Tennessee has a rich diversity of fish and wildlife and most of that is in the Cumberland Plateau area. TennGreen has helped acquire land for numerous projects, including a new hiking trail that will be over 300 miles when completed. Christie spoke about urbanization and its impact on the environment. If you want to see the diversity yourself, go to the Cumberland Plateau and see the wonders it has to offer.

The text is arranged in a clean, modern layout with a mix of bold sans-serif fonts and a quote in italics. The background is black, making the text and logos stand out.
