Last Week's Program

Erik Olds: Oak Ridge Reservation Environmental Management

Erik Olds, Deputy Manager for the Oak Ridge Office of Environmental Management, spoke to our club about the progress made and future efforts underway on the 30,000 plus acres on the Oak Ridge Reservation as compared to other facilities across the Department of Energy nationwide. Efforts include a new disposal facility for the local cleanup waste and continued cleanup and modernization of facilities at Oak Ridge National Laboratory and the Y12 facility. Erik is new to his position and the Oak Ridge community, and looks forward to learning more about its rich history and the community of Oak Ridge.

This Week's Program

JR Hertwig: Membership

This Thursday, we will share information about the magic of Rotary with those who we have invited, so they can learn more about our club. Our presentation will cover important information for each of us to know as members to make it easier to share with our visitors what Rotarians do.
