A Message from John Downs

Good morning Club Presidents and Foundation Chairs,

This is a quick reminder that the deadline to preorder Purple Punkie Donuts is rapidly approaching...

Please remind your club members that **orders must be received by Monday October 4th** to earn PHF and Eradicator Club credit!

- You can place your order today at: www.purplepinkiedonuts.org and see your \$25 donation become \$187.50 in the fight against polio.
- Club (group) orders may also be placed using the 2024 Club Group Order form (attached).
- To participate without donuts visit: [Dunkin' Purple Pinkie Donut Project - Raise for Rotary](#). You will still receive PHF donor credit and your donation will be fully matched.

Purple Pinkie Donut - End Polio Now Campaign

It's time to help End Polio. Our annual Purple Pinkie Donut drive starts this week. You can either order donuts or (preferably, since most do not want the donuts), simply make a monetary contribution.

Either way, we're encouraging each member to consider a donation of \$25 or more. Each \$25 will become \$187.50 and a \$50 donation will become \$375.00 with the matching donations from Bill & Melinda Gates Foundation, RI and others!

Checks may be brought to the meeting any week through the end of September. Please make checks to: Rotary Club of Oak Ridge. In the memo line, put Purple Pinkie.

Your generosity is needed and appreciated!

Thank you for your continuing support of Rotary and a Polio Free World!

Transportation 4 All Grant

Friday, October 4th from 1:30 to 4:30 will kick-start our Transportation 4 All district grant. Rotary Club of Oak Ridge, in partnership with Kickstand Knoxville, Emory Valley Center, and United Way of Anderson County will be presenting individuals with low incomes and special needs with a series of both electric-assist and full pedal-powered two-wheeled transportation that will provide them with an increased level of independence and dignity.

This event will present the recipients with the provided bicycles and provide them with training and supplies to be able to operate them safely and care for and maintain them appropriately. Rotarians have provided the funds, vision, and organization for this project, while Kickstand has provided their expertise in working with, training on, and maintaining bicycles. United Way has helped with additional organization and helped us find appropriate individuals whose unique situation will best benefit from receiving these bikes. Emory Valley Center will host the event and has been a large part in helping to select appropriate recipients as well.

Several Rotarians who have been involved in organizing this project will be in attendance and several additional slots are available to join in and support this project on the day of the presentation.
