ORBRC is celebrating a fantastic 2022 Flatwater Tales weekend!

In case you missed it or want to watch it again, here's a link to the Friday night video, featuring Sheila Arnold. It's the entire show on YouTube. You should be able to fast-forward through any parts you don't want to watch. We had to delete Kim singing You Are My Sunshine due to copyright issues, but otherwise it's all there. **This video is only available until July 21, 2022 so make plans to watch it soon!**

Linda Brown Angel Award

Congratulations to Stuart Clark and Tammy Saylor for being recognized with the Linda Brown Angel Award!

Stuart and Tammy have faithfully served our club in a number of capacities over the years. They are always among the first to arrive to help set up our meeting space each Wednesday. Stuart has held the office of Sargent-at-Arms for many years and joyfully greets members and guests each week. Tammy has served as Sargent-at-Arms, Secretary, and Vice President, as well as serving as the Chairperson for our Angel Tree service project for the past 4 years.

Rotarian of the Year

Congratulations to Sherrie Fairchild-Keyes for being recognized with the Rotarian of the Year award!

Celebrating the Life of Phil Fairchild

The family of Phil Fairchild extends their eternal gratitude for the many prayers, messages, gifts, cards, and hugs they received from members of ORBRC over the past month. Phil enjoyed participating in ORBRC service projects, the Dictionary Project in particular. Please make plans to celebrate his life of service to others on July 23, 2022 at First United Methodist Church in Oak Ridge. The family will receive friends at 2:00 p.m. and the Celebration of Phil's Life will begin at 3:00 p.m.

A note about what to wear on July 23rd: Phil wore suits for most of his professional career. In retirement, he enjoyed dressing more casually! We invite you to wear your favorite summer festive attire as we truly want to celebrate!

Guests:

Speaker Colette Souder was our only guest

Matt Brayton reminded us to show up and have fun at our Pass the Gavel event at Centennial Golf club on June 28th. Be Happy and be Hippy. Your attire should capture that Hippy them. Our Joker draw pot is more than \$1200. We will draw at the Pass the Gavel event until someone wins!

Happy Dollars:

Tony was happy because he and Diane celebrated her birthday in Asheville.

Mike Morris was unhappy because the family trip to the Amazon was cancelled due to civil unrest.

Ellen Smith was happy because of their upcoming trip & because she has picked up her application to be re-elected to City Council.

Judi Gray celebrated 43 years of marriage and Wayne Houlberg celebrated 52 years of marriage..

Tom Lakers contributed a penitent \$5 for harassing Tony last week. And it is wife Pat's birthday.

Dan Robbins gave Happy Dollars because The New York Times had an article about desegregation in Oak Ridge.

Tony challenged Ray Smith to give Happy Dollars for the feature in the Oak Ridger about Ray's impromptu speech on Oak Ridge to river cruise travelers on the cruise he took.

PROGRAM:

Colette Souder is a Maryville resident who appears regularly at our Farmer's market. She also had a large booth at the Lavender Festival. Collette was here to educate us about what's best for our skin and best for the environment.

In the old days, pioneers ran water through ashes to produce lye, which is the cleansing agent and combined it with animal fat. That's soap.! She noted that, with the exception of Whole Foods, you cannot buy real soap in the stores today, because everything now is made with petroleum. Petroleum mimics fat but it draws moisture out of the skin and is bad for you, but cheaper to make. Synthetically made fragrances also bad.

She began by making soap at home but now makes many products including sunscreen, insect repellents and deodorant. She has a healing salve of olive oil that really helps burns.

Collette read a testimonial from a mom who was very impressed with how it quickly the salve helped her kids injuries and, bump. Eczema & Psoriasis are especially helped by the salve.

Collette is now writing a book which will include her recipes for various products.

Rotary Youth Exchange Students Go Through Training

District Governor-elect [Susie Cantrell](#) is in Westerville, Ohio, today, on the campus of Otterbein University, with our District's three outbound Rotary Youth Exchange students who are attending their final orientation before going abroad for a year. Our District is part of the O-E Youth Exchange Multi-District with 13 Rotary Districts as far north as Canada and as south as Florida. There are 34 students from O-E going outbound for the 2022-2023 school year. They, along with their parents and Rotary officers, are being trained this weekend by O-E Officers and Country Contacts. DGE Susie has attended sessions specifically geared toward DG team members. Stay tuned for more posts about our outbound students!
