## Suspending Wednesday Zoom Starting October 2

**We will suspend use of ZOOM for Wednesday meetings beginning October 2, 2024**

**We will be suspending our use of ZOOM for our breakfast meetings beginning October 2. It has been very difficult to coordinate multiple sound and video systems, often disrupting the display of the speaker's slides in the meeting room. We generally have very little ZOOM participation at present and apologize for any who are inconvenienced. We hope you can join us in person whenever you are able.**

**We will assess continuously the need for ZOOM and reactivate it if warranted. In the meantime, we will look for more robust systems that can manage hybrid meetings.**
